Fees

Our initial fee for the preparation and implementation of the Statement of Advice is agreed with you prior to carrying out any work. The fee depends on the work involved.

Should you decide not to implement our recommendations, the fee for the preparation of the Statement of Advice will still be the fee we agreed with you.

Ongoing service fees

Our ongoing service includes investment portfolio management and regular reviews of your financial situation, all of which are essential to ensure you stay on track to reach your goals. The cost and services to be provided will be established by mutual agreement.

For ongoing service, our fee is based on many factors including, the size of the portfolio, complexity of your circumstances, and the level of service required.

Should you require any additional services outside of any agreement between you and your adviser, an amount of up to \$330 per hour, may apply.

How are we paid?

Alex is employed by Ballinger's and receives a salary. He may also receive bonuses or benefits based on his work performance.
